1. Policy Statement

Ashford School recognises that high attendance and punctuality are fundamental to academic success, personal development, and the wellbeing and safety of pupils. This policy sets out expectations, procedures and responsibilities of all pupils, parents, staff, and school leaders at Ashford School in relation to attendance.

Its purpose is to promote high levels of attendance and punctuality; to ensure every pupil has access to a full-time suitable education; to support families in meeting their legal obligations; to identify and address patterns of poor attendance early and to ensure there are clear procedures in place for monitoring and intervention.

Whilst all pupils have a right to full-time education and the school has high attendance expectations for all pupils, the school will account for the specific needs of certain pupils and pupil cohorts. In applying this policy, the school will consider its duties under the *Equality Act 2010* and the *UN Convention on the Rights of the Child*.

This policy was developed having regard to the following legislation and guidance:

- The School Attendance (Pupil Registration) (England) Regulations 2024
- Working Together to Improve School Attendance (DfE) 2024
- the School Attendance (Pupil Registration) (England) Regulations 2024
- The Education (Independent School Standards) Regulations 2014
- Children Missing Education (DfE) 2024
- The National Minimum Standards for Boarding Schools (DfE) 2022

Specific educational events such as auditions, external exams, other visits	Absence should be requested via MSP (My School Portal)

	state the names and year group of the children that the request relates to.

- The School will consider each application for an authorised leave of absence individually, taking into account the specific facts and circumstances, the pupil's past attendance record, and the relevant background context behind the request.
- If a leave of absence is granted, it is for the Senior Deputy Head to determine the length of the time the pupil is or was permitted to be away from School. It will be recorded as an authorised absence.
- A leave of absence will usually be authorised for religious observance if the day concerned is exclusively set apart for religious observance by the religious body to which parents and pupils belong. Parents are expected to make a request for this type of leave of absence in advance.

8. The Attendance Register

Attendance and absences are recorded in the school Attendance Register using the relevant codes as set out in *The School Attendance (Pupil Registration) (England) Regulations 2024* and the statutory guidance *Working together to improve school attendance (DfE) 2024*.

The Attendance Register will show whether a pupil is present, late, attending a place other than school or absent.

Absences are either:

- Authorised: e.g., illness, religious observance, medical appointments (evidence may be required).
- Unauthorised: e.g., holidays during term time without authorisation, absence without valid explanation.

The attendance register is kept electronically, and a back-up copy of the register is made at least once a month in the form of an electronic or printed copy. Registers are legal records and, in line with current legislation, the School will preserve every entry in the attendance register for 6 years from the date the data was entered.

Where amendments are made, the School will ensure the registers show the original entry, the amended entry, the reason for the amendment, the date on which the amendment was made, and the name of the person who made the amendment. As the attendance register is a record of the pupil's presence at the time it was taken, this register will only routinely be amended where the reason for absence cannot be established at the time it is taken and it is subsequently necessary to correct the entry.

9. Monitoring and Intervention

Data from the Attendance Register is monitored to identify weekly attendance patterns and trends and to deliver intervention and support in a targeted way to pupils and families. Identifying the pupils who need support will not just focus on persistent and severe absence, but the school will also seek to identify pupils who can be supported earlier before patterns become entrenched.

The school will work with parents and pupils and relevant school staff such as the SENCO, if appropriate, to identify particular barriers to attendance and to put in place appropriate support. Support will be tailored to the individual circumstances of the pupil. As a general guide, the following principles will be followed:

- Attendance below 95% triggers investigation and conversations with parents to identify barriers to attendance.
- Below 90% (persistent absence) or below 50% (serious absence) prompts a structured intervention plan; in such cases the school will work with the local authority to put in place targeted support which may include Early Help.
- Home visits may be conducted if absence is unexplained or safeguarding concerns are raised about a child who is not attending school.
- Attendance panels may be convened with families and senior leaders.

10. Additional needs

It is acknowledged that some pupils may find it harder than others to attend school, for example, those with special educational needs, disabilities, medical conditions, and/or social, emotional, and mental health difficulties. In such cases the school will work with those pupils and parents to try to remove barriers to attendance and to put the right support in place.

Where appropriate, this will include considering what reasonable adjustments can be made to remove any potential in-school barriers to attendance. Where it is in the pupil's best interests, a temporary part-time timetable can be considered part of a re-integration package to meet the child's needs and encourage regular attendance at school. This may be appropriate where a pupil is unable initially to attend full-time education. A part-time timetable will not be treated as a long-term solution and there will be pastoral support and other programmes running alongside the part-time timetable to encourage full-time attendance.

Where a pupil has an education, health, and care plan (EHCP) the school will communicate with the local authority where the pupil's attendance falls or the School become aware of barriers to attendance that relate to the pupil's needs.

The school may, in limited circumstances, with the agreement of parents, provide remote education to enable pupils who are well enough to learn but unable to attend the school site for a time-limited period. In such cases, the pupil will be recorded as absent using the most appropriate absence code.

11. Safeguarding and Attendance

All day pupils

Persistent or unusual absence patterns may be indicators of safeguarding concerns. The Designated Safeguarding Lead will be informed if:

- A pupil is absent without explanation for more than two consecutive days.
- A pattern of concern arises.
- Follow up action in such cases may include a referral to children's social care.

Boarding Pupils (excluding Child Student/Student sponsored)

- Daily registration and evening roll calls are carried out and logged at Breakfast, Dinner and at 21:30.
- Parents of boarding pupils should ensure their child returns to their boarding accommodation by 17:45 on Sunday before the beginning of the school week.
- Unexplained absence from the boarding house will be immediately reported to the DSL and parents.

12. Data Collection and Reporting

- Attendance data is reported to the Local Governing Body and United Learning on a regular basis.
- Individual pupil attendance is included in school reports.
- The school is legally required to share information from the registers with the local authority. This includes:
 - New pupil and deletion returns outside of normal transition time.
 - Attendance returns (where a pupil has 10 consecutive days of unauthorised absence)
 - Sickness returns (where a pupil is unable to attend because of sickness and there are reasonable grounds to believe that the pupil will have to miss 15 consecutive or cumulative school days or more in one school year)
- The School must provide specific pupil information on request to the Secretary of State and inspectorates.
- Where appropriate, the School is expected to inform a pupil's social worker and/or youth offending team worker if there are unexplained absences.

13. Attendance Strategy

This policy supports the attendance strategy of Ashford School which aims to promote a culture of high attendance that supports pupil welfare and educational outcomes such that all pupils are accounted for and supported to access their full-time education entitlement. The School seeks to ensure that attendance is accurately recorded, monitored, and reported, and that our systems and processes are designed to help reduce absences and to identify and address patterns of persistent or severe absence, including for pupils with SEND or health needs, through early intervention and partnership with families.

14. EYFS Attendance Policy and Procedures

Bridge, The Stables, Nightingale and Prep nursery

Monitoring Absences

- The nursery will follow up on child absences in a timely and appropriate manner. A call to the parents/carers will be made in the morning, if no notifications of absence were shared with the nursery.
- All absence should be reported by the parents/carers to the nursery via MSP-My School Portal.
- Nursery will mark child's absence on daily register via application called Tapestry under holiday or sickness.
- If a child is absent for a prolonged period or without notification, the nursery will:
 - Contact the child's parents and/or carers.
 - If unsuccessful, contact the child's emergency contacts.

Assessment of Absence

- Staff will notify the management team daily of child's absence.
- Using Tapestry application, management team will run an attendance report.
- Using professional judgement, management team will determine whether an absence is considered prolonged.
- The nursery will consider:
 - Patterns and trends in a child's absences.
 - The child's personal circumstances.
 - The vulnerability of the child and their family.
 - The child's home life.

Safeguarding Concerns

If concerns arise regarding a child's welfare, the nursery will:

- Follow our safeguarding policy and report to Designated Safeguarding Lead
- Refer the matter to local children's social care services.
- Request a police welfare check, if necessary.

Parent and Carer Communication

- Parent/carers are responsible to contact the nursery through My School Portal to report absence if a child is unwell to attend the nursery, on holiday or having a day off.
- Parents are asked to inform us promptly of any planned or unforeseen absences. Should attendance consistently fall below 80%, we will review this with families to offer support in improving attendance and safeguarding funding eligibility.

Emergency Contact Information

- When a child is settling in, parents/carers will be asked to fill out the Contact details form with parents' picture, name and phone number. Where possible, the nursery will hold **at least two additional emergency contact numbers** for each child to ensure effective communication in case of absence.

15. Attendance for Sponsored Students with Child Student/Student Visa Status

As an independent school with UKVI Sponsorship responsibilities, to remain compliant with the terms of the licence, we must monitor the whereabouts, care arrangements and travel arrangements of all sponsored students.

Ashford School must report immediately to the Home Office any unauthorised absence of sponsored students of 10 contact points. Ashford School interprets this as being 10 consecutive days. As a school, we retain the right to withdraw sponsorship prior to this time period if necessary and dependent on circumstances.

All flights and travel must be booked within the school term dates (as listed on the school website). Any requests for early departure/late arrivals must be made to the Senior Deputy Head. Absences must be authorised before travel plans can be made. Any deviation from this may impact the student's visa compliance.

Parents and educational guardians are responsible for booking all travel and for ensuring the safe travel of students from school and for their return to school. The UKVI requires Ashford School to hold a full record of the destination and travel plans for student visa holders at all times when they are not in school, as Ashford School must ensure the safety and wellbeing of students during their time in the UK. This data will be held securely and in line with our Data Protection Policy.

Parents and guardians are expected to communicate all details of travel arrangements and accommodation during the school holidays including flight details, travel to and from school and the contact details of adults supporting with travel where required.

Parents and Guardians will be contacted 2 weeks in advance of the end of term/half term and must complete the details as requested via a link. Students studying at the school on a Child Student/Student visa are not permitted to stay outside of school during the term time unless by express agreement with the school and with written agreement by parents and/or guardians. Students cannot stay with parents in the UK during term time where the parent holds a short-term visa. Occasional weekend visits by parents are permitted in agreement with the school.

16. Policy Review

This policy will be reviewed annually. It will be monitored by the Senior Attendance Champion and updated and revised if necessary, during the annual cycle.
